NOTES:

Disclaimer: Graves Motorsports WORKS and YEC Racing Parts are not street legal and are sold for use exclusively on closed-circuits. Items not listed on the Graves Works website but included in the downloadable PDF can only be ordered on these ordering rounds. All orders received prior to the ordering deadlines will be accepted. However, we cannot guarantee additional orders after the ordering deadline has passed. Items appearing on the approved AMA Pro Road Racing Eligible Equipment list will generally ship upon order confirmation during the AMA racing season: March – October. In the event that the items appearing on the approved AMA Pro Road Racing Eligible Equipment list are ordered during the current AMA racing season (and not in stock at that time). Order confirmation will be given and those items will be delivered in no less than 10 and no more than 45 days. If we are not able to accept some orders due to low availability or high production cost of the parts, we will immediately inform you by e-mail. No cancellation of orders will be allowed once we have confirmed the orders. Confirmation of your orders requires payment in full.
